	3	MATH 103 or higher level math ** _____
	3	PSCI 223 American Government
	3-8	Elementary Foreign Language I & II OR approved International Culture Courses _____

* Required Field Experience hours

** Required before entering Teacher Education Program

*** Available after entering Teacher Education Program

Minimum Requirements include: 128 hours, 40 of which are upper division (300-400 level) hours, 2.500 cumulative grade point average (GPA), 2.750 GPA in Major courses, and C or above grades in all General Education Requirements for Teachers, all Professional Education courses, all Required Supporting courses, and all courses applied toward endorsements.

All students who have declared Physical Education as their major are required to complete the annual fall fitness testing. Failure to complete the test will result in a delay of enrolling in further PHED, EXSS, and EDUC courses. If a student is unable to complete any of the fitness testing components due to documented injury, illness or disability, the Department of Exercise and Sports Science will provide appropriate accommodations that will 1) enable the student to complete the test component as it was intended; or 2) provide a suitable component that satisfies the testing criteria, and is accommodating to the student's need.
