In the student AND/OR parent section of your 2021-22 FAFSA you reported an unusually high amount for **"Taxable student grant & scholarship aid reported to the IRS in your adjusted gross income."** You should only report a dollar amount for this question if you were required to list the grants and scholarships as taxable income on your federal tax return.

- Please **check one** of the following statements regarding the amount listed on your FAFSA:

_____ The amounts reported on the FAFSA regarding grants and scholarships listed on my/my parent(s) 2019 federal tax return are correct and I/my parent(s) did report grants and scholarships on the federal tax return. If you/your parent(s) did report this as income on your/your parent(s) 2019 tax federal tax return it will appear on the dotted lines of Line 1 in this format: "SCH X,XXX" (***You must attach a signed copy of your/your parent(s) 2019 Federal 1040 tax return.***)

_____ I/my parent(s) did not report any grants and scholarships **in the adjusted gross income** listed on my/their 2019 federal tax returns and we mistakenly reported this amount on the FAFSA. (***Olivet Nazarene University will correct the information on your FAFSA for you.***)
