

## Highlights of the Gamma Chapter Olivet Nazarene University

### We've Moved!

The Induction Ceremony and Banquet will be **THURSDAY, May 8th, at 5:30 pm in Chalfant Hall**. The Friday schedule for graduation weekend has two new events this year (dedication of the Student Life and Recreation Center and dedication of a sculpture in front of Centennial Chapel), so we have moved the banquet for this year's induction to Thursday. Please come help us welcome inductees into Phi Delta Lambda on this evening! We will also be awarding the **Enduring Hope scholarship** for a deserving junior during the event.

Banquet tickets are \$15 per plate. We need to receive reservation payments by April 28th. You may mail payment to our treasurer, Matt Foor, P.O. Box 6012, ONU, Bourbonnais, IL 60914. Please make all checks payable to Phi Delta Lambda and provide the names of people attending.

### Olivet's Scholar Week

Phi Delta Lambda is sponsoring a session during Olivet's Scholar Week for the first time! Shane Emaus, '12, a Commercial Representative with MB Financial Bank, will be speaking to students on Friday, April 25th at 10:00 am. about his internship experience and the current banking environment for students.

### Homecoming Reception

We enjoyed the Honors presentations of Lacey Austin and Breanne Bambrick at our Homecoming reception in the fall. Lacey's topic was "Rationales for the Use and Pairing of Young Adult Literature and Classic Novels in the Secondary English Classroom," and Bre's topic was "The Collaboration of Faith and Social Work in Creating a Gateway of Helping."
