* 1 candidate did not pass the edTPA, but did receive a provisional license.

The Colleges of Distinction recently recognized a number of programs for their excellence. The School of Education was recognized as a 2017-2018 College of Distinction. In addition to the exceptional graduation and retention rates, another factor that helped the School of Education be recognized is their post graduate stats. In 2017, 100% of School of Education graduates reported having a job or pursuing a graduate degree.
