

BUS 641

Healthcare Ethics and Compliance

3 hours

An in-depth look at how leaders navigate the complex healthcare environment in light of ever changing regulatory demands. Focus on decision-making, ethics and organizational mission. Addresses issues related to healthcare law, reporting, self-reporting, and outcomes.

BUS 643

Quality Improvement in the Healthcare Setting

3 hours

This course looks at the demand of continuous quality improvement in the healthcare setting while examining the relationship between quality and outcomes. Looks at methods of measuring quality, and how measured results create actionable process in operations.

BUS 644

Developing Community Based Health Services

3 hours

Participants will examine the state of healthcare, and the increased demand to provide a continuum of care based on the needs of diverse populations in the marketplace. Equally important, the business implications of creating alternative service locations to traditional models of care and alternative healthcare solutions such as education, wellness, and access to care will be investigated.
