

Facilities and Services Available to Students with Disabilities

Accessibility and Disability Resources (ADR) at Olivet Nazarene University is dedicated to supporting the University’s efforts toward accessibility and inclusion for students with disabilities.

ADR collaborates interdepartmentally to ensure every aspect of campus—academics, residential living, and spiritual formation—is accessible. The department provides the Olivet community with resources, education, and direct services so students with disabilities have an equal opportunity to participate in and achieve their self-determined goals.

ADR envisions an accessible and welcoming campus free from physical, instructional, and attitudinal barriers that recognize, honor and celebrate each student’s God-given talents, strengths and gifts.

All students admitted to the University are ensured both building and program access. Such access is provided through a variety of services and facilities as identified in the chart below.
