

Bachelor of Science in Business Administration Management Concentration | Online

PROGRAM OVERVIEW

The Bachelor of Science (B.S.) in Business Administration is a program designed to expose students to the qualitative and quantitative aspects of business, including entrepreneurship, accounting, business administration, information technology, finance, and marketing. The program focuses on the integration of real-life experience to the academic coursework to apply critical thinking skills to identify, analyze, and solve business related problems from a Christian worldview.

POSSIBLE CAREERS

Business owner / manager, Entrepreneur, Operations director, Project manager, Chief operating officer

FORMAT

Accelerated classes (generally 8 weeks long) meet online. Courses start in August, October, January, and March.
