Financial Aid Policies:

1. Students must meet all satisfactory progress requirements to receive aid: institutional, state, or federal funds.
2. Students may be eligible to use state or federally funded aid they qualify for.
3. Students participating in “Sponsored” programs listed above may use up to \$2500 of their scheduled institutional (ONU) funds to help cover the cost of one off-campus study program.
4. Institutional aid may be used for participation in “Sponsored” programs; a pro-rated amount may be used when active in a “Cross-enrollment” program at another U.S. Nazarene school.
5. Students are not eligible to use any Olivet institutional funds for summer programs.
6. Students receiving the CCCU Tuition Waiver or Nazarene Reciprocal Funds are not eligible to use any Olivet institutional funds for off-campus programs; students on ONU tuition remission may use tuition remission to participate in one “CCCU GlobalEd” program only. ONU tuition remission may be used for tuition only and may not be applied toward room and board or fees during off-campus study.
7. Students participating in the Nazarene “Cross-enrollment” will pay their home institution; the host institution will bill the home institution a \$500 registration fee, general fees, room, and board per student. Please work with the Office of Student Financial Services.
8. An administrative fee of \$250 is assessed by ONU for students registering for off-campus study programs.
