

New Student Move In Weekend Parent Schedule

Saturday August 22

Move-in, Starts in Weber Parking Lot | 8am-1pm

Please drive to the Weber parking lot. Our team will check to see if you are cleared to move in and then you can drive onto campus to move your belongings in. A team of student leaders will be there to help carry your belongings into your assigned room. Please have the driver stay in the car. Once your car is empty of your belongings, the driver will be instructed to drive off of campus and park at the chapel. You may return on foot to rearrange your furniture and belongings. This helps us move in a lot of students quickly.

Clearance Team in Perry Center | 8am-11am
