

Office of Alumni Relations

EVENTS & ENGAGEMENT

Help promote the events happening on campus, in your region, or online! We love when we can connect with our alumni and friends.

HOW CAN YOU GET INVOLVED?

Promote an Event With Your Network

Join the conversation on social media! Share event details on Olivet Connect or post to your own social media pages! Reach out via text or email to Alumni in the area (for regional gatherings)

Attend an Olivet Event

Engage and participate in Olivet events within your area and on campus and bring a friend or classmate! This is a great way to deepen your connection with ONU!

Host an Event Near You!

Partner with the Office of Alumni Relations to lead an Olivet regional gathering and connect with alumni in your area. Take opportunities to find local spots to connect with alumni in your area or find a way to connect virtually!

Interested in knowing who is in your area? We can help make a connection!
