

# CHAMPION THE NEXT GENERATION

We believe that great people know great people! Your advocacy on behalf of Olivet helps us reach the next generation of Olivet students. Here are some of the ways you can help us connect with them as they take their first steps in their Olivet journey.

## Promote Olivet to people in your network or to your church community

Your voice matters! Whether it's sharing your Olivet experience with friends, speaking to your church youth group, or encouraging students to consider Christian higher education, your advocacy can make a real impact.

## Promote upcoming visit days to high school students you know

A campus visit is one of the best ways for students to experience Olivet. You can help by inviting high school students to attend visit events, sharing details about upcoming campus tours, or even bringing a group of students to experience Olivet firsthand!

## Recommend A Student

Know a student who would be a great fit at Olivet? Let us know! By recommending a student, you help us reach future leaders who will thrive in a Christ-centered academic community.
