

# CAREER & PROFESSIONAL DEVELOPMENT

Networking and connections are so important in the professional sphere. Whether you're just starting out, looking to make a change, or seeking growth in your current field, or just trying to expand your network, the Olivet community is a great place to start.

Want to dig deeper into the career and professional development opportunities through the greater Olivet network? Check out these opportunities!

[Sign up for Olivet Connect](#) and connect with people in your field of interest.

Use LinkedIn to keep up with Olivet and connect with other Olivet Alumni

Attend, promote, and connect with students at a job fair. Introduce them to your organization and opportunities for them there.

Meet with a student or fellow alumni and connect about your professional experience! Offer advise, professional experiences, or just be a champion for them as they pursue their career.

Introduce others in the Olivet community to your network of influence. Promote networking opportunities or local positions in your area.

Review and revise resumes, help in interview preparedness, and be a coach for a student seeking employment opportunities.
